1. Covenants shall become effective upon acceptance by the Sponsor of State Aid for the Project or any portion thereof, through SCAC, and shall constitute a part of the Grant Agreement thus formed. These covenants shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty (20) years from the date of acceptance of State Aid for the Project. In the event that the Airport and the facilities covered by the Project are not maintained as such for public use for the full twenty (20) years, the Sponsor agrees upon demand to promptly reimburse SCAC the amount of the grant.
2. In the event that the grant is conditioned upon a repayment schedule of any or all of the awarded funds, notwithstanding the other obligations herein that may require repayment in the event of default or non-compliance with these grant assurances, the Sponsor agrees to be bound by such additional grant assurances as may be required by SCAC as incorporated hereto and set forth in a separate schedule to these assurances.
3. Sponsor shall:
  - a. Begin accomplishment of the Project within a reasonable time after acceptance of this Offer, but no later than one (1) year from award of this Offer;

Significant changes include, but are not limited to:
    - new, upgraded, deactivated, or repurposed airfield pavement and lighting;
    - land acquisition or releases, including easements;
    - major obstruction clearing;

    - new, revised, or expanded airport-related zoning ordinances.
4. Sponsor agrees that it will safely and efficiently operate the Airport for the use and benefit of the public on fair and reasonable terms without discrimination.

Essential facilities, including airfield lighting systems, when installed, will be operated in such manner as to assure their availability to all users of the Airport.
6. Sponsor will not enter into any transactions which could operate to deprive it of any of the rights and powers necessary to perform any or all of the covenants made herein, unless by such transaction the obligation to perform all such covenants is assumed by another public agency eligible under the applicable statutes, ordinances, regulations and policies to assume such obligations. If an arrangement is made for management or operation of the Airport by any agency or person other than the Sponsor, the Sponsor will reserve sufficient powers and authority to insure that the Airport will be operated and maintained in accordance with the applicable statutes, ordinances, regulations, policies and covenants of this agreement.

  - FAR Part 77 Safe, Efficient Use, and Preservation of the Navigable Airspace, as amended;
  - Advisory Circular 150/5300-13A, Airport Design, or successor guidance; or other guidelines approved in writing or amended by SCAC.

Failure on the part of the Sponsor to take appropriate action to remove any and all obstructions in the approaches, in a manner that ensures safety and protects public investment in the airport, may result in withholding of any payment of the funds established by this agreement for the herein described project until such time as the necessary actions are taken.
