The Honorable Henry Dargan McMaster  
Governor, The State of South Carolina  
State House  
1100 Gervais Street  
Columbia, SC 29201

Dear Governor McMaster,

Pursuant to the directive enumerated out in your Executive Order 2022-19, the South Carolina Aeronautics Commission reports that, while having not requested earmarked funds to date, the following organization receiving earmarked, state appropriations is in compliance:

Hilton Head Airport – Hilton Head Island Airport Expansion

The airport recently opened bids on the project and work will start as soon as construction contracts are executed. We expect that Hilton Head Island Airport will draw down all of the earmarked funds during FY 2024.
